**FILED UNDER SEAL**

**ORDER**

On motion of the United States of America, it is hereby ordered that 1) the redacted copy of the affidavit shall be filed; 2) that the original affidavit shall remain sealed; and 3) that the redacted copy of the affidavit, applications, returns, original seizure warrant and other related documents shall be unsealed.

This Order is based upon the sealed motion of the government establishing that: (a) the government has a compelling interest in filing redacted copy of the document in question which outweighs the public's qualified First Amendment right of access to review those documents; and (b) no less restrictive alternative to filing redacted copy is appropriate or practical.
